LIBRARY REPORT

There have been 9,250 books and magazines loaned during the year ending December 31, 1928.

The tables have been supplied with 18 of the leading magazines and other literature of interest.

Thirty-two dollars and ninety-six cents has been received from book fines and sale of cards. Twelve dollars and forty-one cents of this amount has been used for needed supplies, the balance being turned into the treasury.

During the month of December the library was moved to its present location, a beautiful marble building given to the town by Mrs. Minnie R. Proctor as a memorial to the late George C. Robinson.

This beautiful building is equipped with all modern improvements for library work with neighborhood rooms down stairs equally suitable for their purpose.

Miss Anna I. McLaughlin is the librarian.

Respectfully submitted,

CHANNIE R. THRALL.

December 31, 1928.
